

Achievements

Academic Year: 2024–2025

1. Introduction

It gives us immense pleasure to present the Annual Report of Vidya Global School for the academic year 2024–2025. This report encapsulates the academic achievements, environmental initiatives, sports accomplishments, innovations, examination results, PTA activities, and important SMC decisions taken during the year.

2. Academic Achievements

Academic excellence is the hallmark of Vidya Global School. This year, our students continued to shine in board and internal examinations:

- **Class X CBSE Board Result:** 100% pass percentage.
 - 50% of students scored above 75%.
 - School Topper: **Navya Singhal** – 95.2%.
- **Class XII CBSE Board Result:** 98.00% pass percentage.
 - 50% students secured 75% and more.
 - School Topper: **Zuha Siddiqui** – 98.4% (Science Stream), **Ansika Agarwal** – 95.6% (Commerce Stream).
- Numerous students qualified for competitive examinations with commendable ranks.

3. Efforts in Environmental Education

Vidya Global School remains committed to environmental consciousness through meaningful initiatives:

- **Eco Club** formed with active student participation.
- Regular **plantation drives** held within the campus and nearby areas.
- Celebration of **World Environment Day, Earth Day, and No Plastic Day** with awareness campaigns and slogan-writing competitions.
- Installation of **rainwater harvesting system** and **solar panels** as part of our green infrastructure.
- Composting units were introduced to encourage waste segregation and organic composting.

4. Sports Achievements

The year saw phenomenal performances by our students in various sports disciplines:

- **District-Level Achievements:**
 - Silver Medal in Taekwondo – Vardan Tyagi, Class XII.
 - Bronze Medal in Taekwondo – Priyanshu Punia, Class XII.
 - Gold Medal in Athletics (100m) – Aarav Chaprana, Class X.
 - Gold Medal in Skating (in line Skates 500m) - Anant Malik, Class III.
 - Silver Medal in Skating (in line Skates 1000m) - Anant Malik, Class III.
 - Silver Medal in Football (Category U16) – Shreesh Agarwal, Class XI.
 - Silver Medal in Football (Category U12) – Tanish Goel, Class V.
- **State-Level Recognition:**
 - Gold Medal in Karate – Samrat, VI.
 - Gold Medal in Athletics (100m, 200m) – Prithvi, Class II.
 - Participation in State Swimming Championship – Rishi Raj, Class XI.
- Inter-house tournaments in cricket, football, Volleyball, Swimming and badminton were organized, promoting sportsmanship and fitness.

5. Innovations & Initiatives

This academic year was marked by a culture of innovation and creativity:

- Launch of **STEAM Lab** encouraging hands-on experiments and robotics.
- Inter-School hackathons.
- Innovative teaching methods including **flipped classrooms, peer teaching, and project-based learning** were adopted.
- Introduction of **AI and coding curriculum** for middle and senior classes.

6. Overall Results

The overall result analysis indicates academic consistency and focused learning:

- **Internal Assessments and Periodic Tests:** Continuous assessments ensured effective academic monitoring.
- **Remedial classes** conducted for slow learners with personalized mentoring.
- Majority of students scored A1 and A2 grades across subjects in lower grades.

7. Parent-Teacher Association (PTA) Activities

The PTA remained an active stakeholder in school development:

- **Quarterly meetings** were conducted to share academic and behavioral progress.
- **Parent orientation programs and career counseling sessions** were organized.
- The PTA played a significant role in organizing the **Annual Fete**, promoting community bonding.
- Feedback from parents was incorporated into classroom management strategies and infrastructure upgrades.

8. School Management Committee (SMC) Decisions

The SMC, in its regular meetings, took several significant decisions to enhance the academic and infrastructural standards of the school:

- Approval of setting up an **Indoor Sports Complex** and expansion of library resources.
- Review and enhancement of **safety and security measures** across campus.
- Decision to implement **career guidance modules** from Class IX onwards.
- Financial provision approved for **Smart Classroom Equipment** and teacher training programs.

9. Conclusion

The academic session 2024–2025 has been a year of achievements, growth, and progressive change. With unwavering support from parents, dedication of teachers, and the vision of our leadership, Vidya Global School continues to strive for excellence in all spheres of education.

Let us move forward with renewed commitment to make learning a joyful and holistic experience for our students.
